Come in and inspect these goods. They are High Quality and Low Price.

We have a fine line of

## BUGGIES

Come in and see them.

**C. F. RIDER,** Lime City, Ohio.

## CONDITION OF CROPS

Official Report of the Agricultural Commission of Ohio.

Wheat prospects show no material difference from that reported one month ago. The state average is now estimated at 102 per cent, or about 15 1-3 bushels per acre. Damage by joint worm is estimated at 4 per cent. One year ago, to date, the prospect was estimated at 94 per cent. The harvest produced less than 28,000,000 bushels. The present acreage is less than that harvested in 1913. The total production should equal, but it is doubtful, whether it will exceed, the production of last year.

A crop report, other than that issued by this Department, estimates Ohio's 1914 wheat production at 40,000,000 bushels. From this same source last year the report was circulated that the wheat crop had suffered untold damage by ravages of the joint worm. The harvest proved that this was a false alarm. The Ohio report is compiled from reports received from more than 1,000 observing, intelligent farmers of the Buckeye State. Past years proved its accuracy. It remains for the harvest to verify our present prediction as to the production. Farmers should beware of any efforts to depress the price of wheat.

Barley prospect is estimated at 90 per cent compared with normal yield.

Rye shows a prospect of 95 per cent compared with normal yield.

Oats have declined 9 per cent during the past month. The present prospect is estimated at 74 per cent.

The area planted to corn compared with last year is estimated at 96 per cent. Condition of crop is estimated at 89 per cent compared with an average. Damage by cut worm is estimated at 3 per cent. Generally, over the state its growing condition is quite satisfactory.

Timothy prospects is estimated at 71 per cent. Condition of pastures is estimated at 80 per cent. The low acreage is due to drouth.

## FERTILIZE THE SOIL.

"Fertilize the soil, not the crop," is the slogan of the soil fertility experts of the College of Agriculture, Ohio State University. They say it is a mistake to talk about a "corn fertilizer" and "wheat fertilizer." Experiments have shown that an application of phosphorus on some soils, for instance, will largely increase the yield of every crop grown and not only the one immediately following application. All crops will be good, say these men, if the soil is supplied with the elements of plant food which it lacks. In order to tell what plant food is lacking they want to see the

soil and surrounding country. Putting this idea into practice arrangements have been made to send a representative of the College of Agriculture to farms all over the state to give advice in the purchase and home mixing of fertilizers. Readers of this paper may secure one of these visits, which are free, by simply writing A. B. Graham, College of Agriculture, Columbus, Ohio. The dates open are in the latter part of July and during August.

J. E. LOMBARD.

Candidate for Democratic Nomination for Recorder of Wood County.

Mr. Lombard was born in Montgomery Township, Wood County, Ohio, September 30, 1889, and has resided in this county all his life time. He was educated in the district school, Bradner High School and Tri-State Business College of Toledo. At the age of eighteen he began teaching in the rural school, working for his father on the farm during the summer months, which work he continued for four successive years until the fall of 1911 when he was appointed to the position of Deputy Recorder by Mr. Adams, which appointment came to him without any solicitation by himself or his friends, which fact is an attestation of his worth and character.

Mr. Lombard has proven himself to be a courteous and attentive attaché of the office, always careful in every detail. There is perhaps no more competent and better fitted person in the County for the important office of Recorder.—Adv.

### HAS YOUR CHILD WORMS?

Most children do. A Coated, Furred Tongue, Strong Breath; Stomach Pains; Circles under Eyes; Pale, Salty Complexion; Nervous, Fretful; Grinding of Teeth; Tossing in Sleep; Peculiar Dreams—any one of these indicate Child has Worms. Get a box of Kickapoo Worm Killer at once. It kills the Worms—the cause of your child's condition. Is Laxative and aids Nature to expel the Worms. Supplied in candy form. Easy for children to take. 25c., at your Druggist.

### Sought to Avert Disaster.

Walter (to town councillor, who is furiously feeling the edges of the knives arranged on the banqueting table)—"It's all right, Mr. Brown. Every one of 'em has been sharpened." Town Councillor (moodily)—"Ah, wor looking for a blunt 'un; t' last time Aw wor 'ere Aw cut my mouth!—Liverpool Mercury.

### LYBARGER FOR SHERIFF.

I am a candidate for the Republican nomination for Sheriff. I want every possible vote I can get and hope to see the majority of Republican voters but, of course, I shall be unable to see all who read this. I believe that my location in the county is such as would make my nomination of material strength to the ticket; and I ask you, Mr. Republican, to inquire of citizens of my section whether or not I possess the qualifications and ability to execute the duties of Sheriff. I realize the responsibilities of the office, and personally I would not ask the honor of being your candidate if I did not feel competent to fill the office creditably. I shall make every honorable effort to get the nomination, having in mind always the requirements of a clean campaign, and my obligations to other aspirants as capable men. I shall be thankful to you for your support, assuring you that every person will get fair dealing, should I be chosen Sheriff. MILO M. LYBARGER. Washington Township.

### BEST DIARRHOEA REMEDY.

If you have ever used Chamberlain's Colic, Cholera and Diarrhoea Remedy you know that it is a success. Sam F. Guin, Whatley, Ala., writes, "I had measles and got caught out in the rain, and it settled in my stomach and bowels. I had an awful time, and had it not been for Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not possibly have lived but a few hours longer, but thanks to this remedy, I am now well and strong." For sale by all dealers.

## COUNTY SCHOOL BOARD.

The county board of education met at the court house Saturday morning and organized by electing Dr. Powell of North Baltimore, president; Thomas F. Tinney, of Lime City, vice-president, and John S. Hoyman of Pemberville, as temporary secretary. The other members of the board are H. B. Saylor, of Liberty township, and Milo Jamison, of Webster township. The board will meet the first Monday of each month.

At the afternoon session H. E. Hall, superintendent of the Liberty township schools, was elected county superintendent for two years at a salary of \$2400 a year, \$300 of which is for expenses.

The next meeting will be held in Bowling Green at the court house on August 3rd to discuss district propositions.—Sentinel.
